

# Are You Compliant with Remote Employee Posting Requirements?

## Avoid Hefty Fines and Lawsuits with Our Labor Law ePoster Service

Employers are legally obligated to make mandatory labor law notices available to their entire workforce and this obligation extends to remote employees. Finally, there is a comprehensive compliance solution engineered specifically for remote employees and non-traditional worksites.

**PAYDATA™**  
WORKFORCE SOLUTIONS

[www.paydata.com](http://www.paydata.com) | 802-655-6160

## Here Are Just a Few of the Features:

-  Digital Service Accessed thru Online Platform
-  Pay-As-You-Go Subscription
-  Federal, State, County and City Notices plus Updates
-  Backed by a \$25,000 'We Pay The Fine' Guarantee
-  Certificate of Acknowledgement Feature Included (eSignatures)
-  Dashboard and Reporting

*Electronic postings do not replace paper posting requirements; you must still display physical copies of labor law notices applicable to your business in locations where all employees can easily see them.*
